

Video Conferencing Registration Form

Celebrating a good start to life. Perinatal and Infant Mental Health Symposium, Friday 29th March 2019.

The symposium presentations will be available via video conference to participants in WA located outside of the metropolitan area. There is no charge for regional and rural participants joining the symposium via VC. As we need to know the number of ports to make available, please ensure you return this form by 4pm Friday 22nd March 2019 to SPIMHP@health.wa.gov.au.
