

EXTERNAL BREASTFEEDING EDUCATION RECORDING

Access the link or QR code to record any **external** breastfeeding education you have attended.

Include sessions you have attended in the last 3 years.

Examples include:

- Conferences
- Webinars
- Workshops
- External eLearning packages
- Self reflection of clinical practice (30 minutes to 1 hour)
- Reading of journal articles (30 mins to 1 hour each article)

Education you attend at KEMH or through Moodle is already recorded. You are required to answer all questions and add in the hours of attendance. You are not required to attach or provide the certificate but you must keep this in your portfolio for audit purposes.
